FRANCHISORS

Toohey Reid's unique approach to servicing the franchisee market is centred on building strong business relationships with franchisors and banks, as well as the franchisees. In building these relationships we will seek to gain an extensive knowledge of the franchise systems and their markets and an understanding of the bank's requirements. This approach means we can provide better assistance and advice to franchisees, which is a win for all parties.

We are currently included on bank internal panels for completing franchise valuations, and for providing expert advice in business, tax and accounting services to the franchisees.

HOW CAN TOOHEY REID ASSIST YOUR FRANCHISEES?

1. Systems and Market Knowledge

Our unique approach means we have an in depth knowledge of our clients franchise systems and markets.

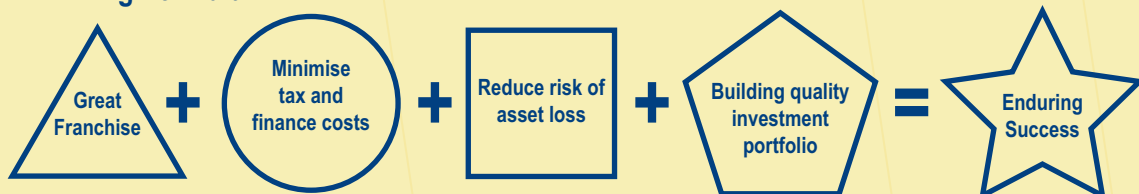

2. Finance Knowledge

We work closely with the banks to understand their requirements, which means we can assist franchisees acquire funding for both the initial franchise acquisition and for multi-store growth.

3. Beyond Accounting

While we provide day to day accounting and taxation support, we also focus heavily on value added advice, which is often overlooked by many advisors. In a franchise environment, this advice can ensure that success achieved through owning a great franchise becomes enduring success.

Winning Formula

Our unique approach to franchises provides a greater probability of enduring success for franchisees and delivering this, is a win for the franchisee, franchisor, financier and Toohey Reid.

We look forward to working with you and your franchisees.
